Notes for Clean Harbors:

- Latex paint excluded. Towns requesting latex paint disposal will be invoiced \$337.00/cubic yard.
- Collections with multiple towns will be charged one set-up fee for the host community and \$75.00 for each additional town that will receive an invoice.
- The cost for Clean Harbors to provide a roll-off for solid waste will be \$900.00
- Minimum charge per event is \$4,800.00 including set-up fee.
- PCB off spec charge \$750.00 /drum
- \$350/cubic yard box of electronics.
- \$12 per propane tank
- Collections with multiple towns will be charged one set up fee for the host community and \$75 for each additional town that will receive an invoice.

Note for Jones Environmental:

Paint waste determined to contain > 50ppm of PCB's will have an additional charge of \$650.00 per 55-gallon drum.

Please note that these prices are "not to exceed" prices. Departments may negotiate with Contractors to obtain more favorable pricing based on location, volume, and other circumstances that may lower handling and/or disposal costs
